PROFILE

About Me

I am an internship dentist who graduated in 2025 from the Faculty of Dentistry, Assiut University. This portfolio presents a selection of clinical cases I have treated, covering restorative and esthetic work, fixed and removable prosthodontics, endodontics, periodontics, oral surgery and pediatric dentistry. Each case is documented with clinical photographs and radiographs, showing the treatment from start to final result.

EDUCATION

Bachelor of Dental Surgery (BDS) 2025
Faculty of Dentistry, Assiut University

Internship Year Current
Rotations across all dental specialties

CLINICAL EXPERIENCE
